

A DIVERSE FLEET OF EQUIPMENT CAPABLE OF A DIVERSE ARRAY OF CONSTRUCTION SERVICES.

We provide the most responsive and dependable bulk trucking service in northern Indiana and the surrounding multistate region including northeast Illinois, northwest Ohio and southern Michigan. With a large fleet of company owned tractors, quad axle dump trucks, and dump, tank, pneumatic and equipment trailers, Klink is able to respond quickly to nearly any bulk or specialized transport request, including:

Construction materials, such as sand, gravel, limestone, slag, topsoil and decorative stone

Liquid materials such as liquid asphalt, other petroleum based products, water, and liquid winter ice fighting products such as chloride brines, and Beet-Heet blends

Agricultural products including lime, gypsum, bio-solids and grain

Demolition materials such as brick, block, concrete, asphalt, dirt, and other construction debris including special waste contaminants

Any bulk materials requiring a dump truck such as road rock salt, compost, mulch, ground clearing debris and overburden

Construction and excavating equipment, miscellaneous machinery and over-weight or over-sized loads

Klink Trucking can meet a wide variety of hauling and construction tasks with just a single phone call to our dispatch offices. Company owned equipment is configured in various sizes to do a variety of jobs. All of our equipment is operated by our experienced, reliable and safe drivers and operators.

- Dump trucks – tandem and quad-axle straight trucks
